**Approval for the pilot project for Agricultural  
Extension in Kadapa District, Andhra Pradesh**

Respected Madam,

Kindly refer to the discussion held on Monday, 17<sup>th</sup> November 2008 regarding the subject mentioned above. The proposal submitted for Agricultural extension is a unique one and would be a model for replication not only in the State of Andhra Pradesh but in other States of the Country. The proposal is based on field level experience of our partner Company (M/s. ITR Technologies India Private Limited) in Andhra Pradesh.

We would like to reiterate our commitment to undertake this pilot project with the support from the State Government. As discussed in the meeting referred, we would like to clarify and submit the following for your consideration :

1. As desired, we would be willing to undertake the pilot project in a phased manner. The phasing of the project can be as per the proposal submitted or as decided by the State Government.
2. As regards the cost estimate submitted for portal development and content development, we would abide by the cost provided and as approved by the State Government. In over view the cost estimate submitted are realistic and based on the existing market conditions.
3. We would also use the existing contents available with the Department of Agriculture and appropriately structure them for the purpose of delivery of identified services to the rural persons / farmers.

DR. DINESH KUMAR TYAGI  
Managing Director & CEO (e-Governance)

4. In case there are any extra cost for the items / deliverables mentioned on the above project, we would bear the responsibility of incurring that expenditure. There will be no responsibility on the State Government for extra cost more than what has been approved for the specified items.

We would request you to consider an early approval for the proposal so that we can start the work immediately and provide the necessary support to the farmers in various aspects of Agricultural extension during the ensuing season.

We shall be grateful for a favourable consideration.

With kind regards,

Yours sincerely  
For Infrastructure Leasing & Financial Services Limited
